

JUNE 2012

VILLAGE OF HOPE

Big wave and smile!

Letters from you!

Sending kisses!

OUR CHILDREN SEND YOU THEIR LOVE

We would ALL like to thank you for giving us our new home! We love going to school every day. We have big dreams of becoming teachers, doctors, and 5 of us want to be the President of Uganda. We all do chores; wash clothes, cook, clean our homes, cut (slash) grass, and pick up trash. (Mama Cindy says that is important to keep our Village clean). She tells us all about you when she visits. We hope you would all come and visit us too. Our lives have been changed because of you. And we want to say, "THANK YOU!!!!".

With all our love,

the children of Village of Hope

WHAT'S NEW

Our staff have been busy, as usual, building at the Current Village, we call Bweyale, and the Second Village, we call Bobi, since that is the name of the communities they are in.

BWEYALE VILLAGE:

Pig Farm has been finished! Soon we will purchase pigs. They will be raised to eat and sell commercially. This will help the Village become self-sustaining.

The library was set up in one of the extra classrooms. The children LOVE it. Each day classes come and have reading time.

55 more children were moved to the Village in February! They live in 2 homes: "Courage" (boys home) and "Kindness" (girls home).

BOBI VILLAGE: (South of Gulu)

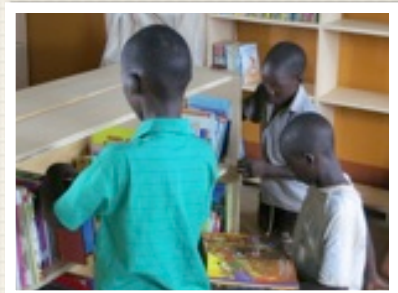

School Block almost completed. This has 4 classrooms for more of our children.

Pump House & Water Tower being built, to provide water for the entire Bobi Village.

WHAT'S NEXT

Boarding School: We currently have 55 of our children going to Secondary Boarding School in Gulu because we don't have a Secondary School (junior & senior high) at any of the Villages. Tuition is \$1,000 per year for one child. Next year we will have another 25 of our children from Bweyale Village that will graduate to Secondary Boarding School. **THEREFORE**, we want to get the **Bobo Village** at a place where we can move children by 2014 and open our Secondary School then as well.

WHAT WILL THIS TAKE?
